The Spirit Fitness XS895 Adjustable-Incline Stepper takes your HIIT workouts (High Intensity Interval Training) to a new level. It provides you with an arched incline adjustment that changes not only the stepping incline but also the height. The additional 20 levels of resistance allow users of all fitness levels to maximize this effective lower-body workout. The narrow 2" pedal spacing (Q-Factor), large cushioned pedals, and multi-grip handlebar design combine to give you an incredibly comfortable and space-efficient cardio unit.

FEATURES

- 20 resistance levels and 20 incline adjustments from a 10" step height at 43° to a 14" step height at 60° deliver the ultimate lower-body workout
- 7.5" bright blue backlit LCD screen with separate Muscle Activation Profile and HR % Profile LED displays
- Remote handlebar toggles for both Incline and Resistance allow for fast and easy workout changes without taking your hands off the handlebar pulse grips
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap strap separately)
- Adjustable cooling fan and dual speakers with audio jack for comfort and entertainment
- Bluetooth compatible with SPIRIT+ App to monitor and record your workout data
