# CES880 SUSPENSION ELLIPTICAL

Take your workout to the next level with the CES880 Suspension Elliptical. The trackless design and double commercial bearings fitted at the joints ensures a quiet and comfortable workout experience. Plus, a large LED display keeps you informed. 10 programs, forward and reverse motions, and built-in Bluetooth to connect to third party apps add variety to your workout to keep you motivated. The rear access, low step up height, and 400 lb weight limit make this model accessible to a wide range of users. Additional features include USB charger, water bottle holder, handlebar controls for resistance, and contact and wireless heart rate monitoring. The Spirit Fitness CES880 Suspension Elliptical is built for performance, comfort, and convenience while delivering the results you want.

## CES880 SUSPENSION ELLIPTICAL

- Smooth and effective 22" stride length
- Multi-position hand grips with remote resistance and stride controls
- Double commercial bearings fitted at the joints ensure a smooth workout experience
- Built-in Bluetooth connects to Spirit+, 3rd party apps, and heart rate accessories (not included)
- 40 levels of resistance keep you challenged and your heart pounding

## CE880 CONSOLE FEATURES

The electronics in the CE880 are designed to provide intuitive operation. The console features a large easy-to-read display with a variety of program options for users of all fitness levels, an integrated fan to keep clients cool, and a USB port to help keep their devices charged. The large multi-position handlebar design includes convenient stride and resistance controls for fast and easy workout changes.
